17.8
mm

SK-10 Stretch Wrap Cutter

Securely cuts shrink-wraps and plastic straps.
Tape slitter cuts packaging tape without damaging content of a box.

OLFA®
THE ORIGINATOR SINCE 1956

The **SK-10**, featuring a concealed blade and a tape slitter, protects merchandises and users themselves!!

OLFA's Stretch Wrap Cutter

SK-10

is designed to avoid unintended cuts and not to damage content of a box.
Very limited blade exposure makes very safe unpacking come true.

How to use the SK-10

- Insert beak-shaped guide for a "scoop-cut", and cut down shrink-wraps, plastic straps and cushioning materials.
 ※ Cut materials have to be tightened while being cut.
- Stainless tape slitter cuts packaging tape without damaging content of a box.

How to use all 4 cutting points and replace a blade No extra tools required!

※ When blade gets dull, move it from one position to another; one reversible SKB-10 blade provides 4 cutting points.
